We would like to take the time to personally thank you for choosing us as your healthcare provider. We hope we can help you in your journey towards improved health.

Our foremost goal is patient satisfaction. Enclosed you will find a copy of our "Patient Satisfaction Survey." We would greatly appreciate it if you would please take a moment to fill it out and return it to us. This is the best way we know to find out what our office is doing right, and what skills we need to improve on. You do not need to put your name on it, so you can feel free to be honest. Thanks!

Feel free to ask us any questions regarding your treatment or progress, and let us know if there is a better way we can assist you.
